On the 2025-2026 FAFSA, you answered “yes” to question 8, indicating your parents are unwilling to provide their information. This limits your federal financial aid eligibility to unsubsidized loan only. Please answer the following question so we may continue processing your financial aid. You will be contacted if additional information is required.

**Important:** Students whose parent(s) refuse to complete/sign the FAFSA or do not support you financially may not appeal to be considered “Independent” students except in exceptional circumstances. If you believe your circumstances are exceptional, please review the [Unusual Circumstance Request form](#).

**Did you intend to be considered for federal unsubsidized loans only?**

- No, I wish to be considered for other types of aid and will correct my FAFSA to provide parental information. I understand my application will not be processed until I have provided parent information on the FAFSA.
- Yes, I understand I will not be considered for any federal grants, subsidized loans, or the work study program. In addition, I understand I will not be considered for any state or institutional need based funds. See parent section below.

My signature below certifies that I understand the information provided above.

- will not provide future financial support to the student named above.
- refuse to complete the parental section of a FAFSA.
